

NEW!!! A Weekly Opportunity to Enrich Your Faith!!!

HEY! I WAS WONDERING...

Every Monday Evening
from 6:30 to 7:45 PM in our parish church
starting September 11

Relaxed, informal setting; topics for each week to be determined by questions submitted through the “Hey! I was wondering” flyers, available in a basket at the church entry.

Fr. Gary will give an enlightening 45-minute presentation and then be open for Q & A. Resources will also be given each week for those who might want to go further in exploring any of the topics.

The weekly bulletin will list the topic of the coming Monday and the three following so you can plan ahead. Come every week, or any week. Bring family, friends, non-Catholics, or Catholics who’ve been disconnected for a while! Great for life-long Catholics, new Catholics, newly returned, and all seeking to deepen their insight, understanding, and appreciation for Catholic teaching, life, and liturgy.

Clip the section below, write in the topic(s) that you would like to see addressed, and then put in an envelope marked “Hey, I was wondering” and drop into the collection. Then, watch for date and time that we tackle your questions!
